

WHAT A  
RATHER  
CRUEL  
THING TO  
HAPPEN...

HAD HE  
REMAINED  
BERGERK, SHE  
PROBABLY  
WOULDN'T  
HAVE TO  
EXPERIENCE  
THAT PAIN  
AGAIN.

FU ...  
RUF  
RUFU ...

NOW THAT  
EVERY OTHER  
HUMAN IS  
DEAD, IS  
THERE ANY  
MEANING  
LEFT FOR  
HELCK TO BE  
THE ONLY  
ONE LEFT  
ALIVE/?

Helck's  
reaction was  
unexpected,  
but that's  
fairly an  
issue.

Translation  
hasn't improved  
at all.

Helck's  
despair will  
continue.

And I will be just  
a minute of time  
before he goes  
back again.

Surely,  
knowing  
that it's me,  
you never expected

a bluff  
like that  
to work,  
did you?

WWD?

*The  
humans  
are dead?*

A  
"BLUFF",  
YOU  
SAY?

That  
principle  
applies to  
this curse  
as well.

With respect  
to hyperspace,  
you did nothing  
more than  
give up human  
beings in  
exchange  
for magic.

Magicians  
summon  
warriors by  
sacrificing  
their magical  
power.

The  
summoning  
arts are, so  
to speak, an  
exchange  
between two  
powers.

that  
means  
the  
humans

There-  
fore,

**are  
still  
alive.**

if those  
human energy\*  
sacrifices  
had truly died,  
then it would  
have been  
impossible to  
exchange them  
for power.

And yet,  
you managed to  
use that  
cursed  
summoning  
art.

16

HOW CAN  
YOU CLAIM  
THAT THOSE  
HUMANS  
ARE STILL  
ALIVE IN  
THAT SAD  
STATE?/?

BUT, IF  
YOU CAN  
UNDERSTAND  
CURSES  
TO THAT  
DEGREE,

**RUHAHA  
HA!!**

YOU'RE AS  
KNOWLEDGE-  
ABLE AS I  
EXPECTED!!

WITH THIS  
REASONING  
OF MINE,  
WHAT COULD  
THAT  
POSSIBLY  
BE CALLED  
IF NOT  
DEATH!/?

HOWEVER,  
WITHOUT  
THEIR  
MINDS, THEY  
WO'NT BE  
ABLE TO DO  
ANYTHING  
ETHER!/?

CERTAINLY,  
I HAVEN'T  
YET STOPPED  
THEIR HEARTS  
FROM  
BEATING.

RIGHT NOW,  
THEY'RE  
ESSENTIALLY  
MARRIED  
OF ENERGY  
IN THE  
ETHERAL  
FORM OF  
HUMAN!/?

THEY'LL BE  
REDUCED  
TO PIECES  
OF HYPER-  
SPACE!/?

WITH TIME,  
THE HUMAN  
BEINGS WILL  
REVERT TO  
HYPERSPACE  
ON THEIR  
OWN!/?

AND IF IT  
COMES  
TO THAT,  
EVEN THEIR  
ETHERAL  
FORMS  
WILL BE NO  
MORE!/?

DO YOU  
STILL  
THINK  
YOU CAN  
SAVE  
THEM  
NOW?

I WONDER  
HOW MUCH  
TIME HAS  
GONE BY  
SINCE THE  
TECHNIQUE  
WAS  
INVENTED?

RUFU  
FU...

That's  
why I will  
rescue them  
before that  
happens.

You're  
correct.

As long  
as they're  
alive, there  
is hope.

Of  
course.

I'm running a translation marathon event on Twitch at the moment, so if you'd like faster releases for a particular series, pop in when I stream and let me know which Twitch.tv/zStella

18

*They  
aren't  
dead!?*

22

*No  
way  
!!!*

*There's no way they should have been able to put themselves into a state to be resurrected ...!*

*Reversion to hyperspace doesn't mean that they themselves die!*

*Their existence simply becomes a part of it!!*

*A state where they couldn't even kill themselves ...!*

*Even assuming that the Kings still lived, the humans were just masses of energy!*

*You have it wrong.*

*Or maybe it's even an ability of the Kings' that even Micaene wasn't aware of.*

*Could all your talk about "reversion" and whatnot have been mistaken to begin with?*

*Regardless, the reality is the humans are resurrecting this way.*

*That's right... They shouldn't ...*

*And chances are...*

*In order to save them...*

*The humans are being killed...*

*the one doing that is...*

***Cless.***

**For the sake  
of the future  
my brother  
wishes for.**

I don't  
know how,  
but...

He knew  
that the  
Kings  
were  
alive...

That's  
certainly  
what he  
said...

Those words  
which would  
give you that  
impression...

Pretending  
to save  
Charami,  
he went for  
hyperspace

And that's  
why he was  
so reckless  
in the end...

wonder if  
this was  
able to  
help you...

Big  
Brother  
...

I...
